

BT/PR12649/TDS/121/4/2014

**SRI PADMAVATI MAHILA VISVAVIDYALAYAM**  
**SCHOOL OF SCIENCES**  
**DEPARTMENT OF BIOSCIENCES AND SERICULTURE**

**NOTIFICATION**

Applications are invited from the women candidates only for the position of Project Fellow (PF) to work in DBT-Collaborative Major research Project entitled "**Identification of Thermo-tolerant bivoltine breeds based on expression of heat shock protein coding genes in Silkworm, *Bombyx mori* L.**"

**Qualifications:** M.Sc., Life Sciences / M.Sc Biotechnology

**Desirable:**

1. Wet lab techniques pertaining to Isolation of Biomolecules, r-DNA technology and Bioassays.
2. Dry lab techniques/Primer designing / tools pertaining to Gene/Protein sequence analysis, clustering, Restriction digestion mapping, Gene structure-function predictions.
3. Efficient Computational and Communicational skills.

**Fellowship:** Rs. 18,000/-

**Duration** : 3 Years

The position of this fellowship is purely temporary. The fellowship ends along with the project.

Applications on plain paper, giving full particulars (biodata) of the candidate's Name, Age, Qualification, Experience, Address and any other relevant information, should reach the undersigned on or before **8/8/2018**.

The candidates have to attend interview on **10/8/2018** at their own expenses at **11.00 am** Office of Dean, School of Sciences, Sri Padmavati Mahila Visvavidyalayam, Tirupati.

No TA & DA will be paid to the candidates. The selected candidate should be ready enough to report to the duty immediately on the receipt of the orders.
